

REPRESENTATIVE ENDORSEMENTS FOR RELATIONAL WISDOM 360

"RW360 worked with my congressional team and many others on Capitol Hill to enhance our emotional intelligence and conflict resolution skills. These skills improved the culture in my office and our success as a team. As we used these skills to get upstream of conflict, we were able to focus on building collaborative relationships with other teams on Capitol Hill and accomplish vital legislative tasks that benefit our nation." ***Cathy McMorris Rodgers, Former Member of U.S. Congress (WA-05) and founder of Cathy McMorris Rodgers Leadership Institute***

"Every leader must know how to resolve conflict and maintain effective relational teams. It is a responsibility that comes with the mantle of leadership. RW360's training provides an excellent foundation for addressing this crucial skill." ***Steve Russell, author of We Got Him! A Memoir of the Hunt & Capture of Saddam Hussein, LTC US Army (Ret), Former Member of U.S. Congress (OK-5), CEO of Jungle Aviation & Relay Service (JAARS).***

"In addition to improving business profitability and career advancement, these skills help to build more stable marriages and families." ***Dave Dias, Global Insurance Executive, Aptos, CA***

"I have seen first-hand how effective RW360 principles have been to staff regardless of cultural, educational, economic or religious background." ***Steve Nelson, President, Plant Sciences, Inc., Watsonville, CA***

"Relationships can make or break any organization, which is why I support RW360. I need it, my family needs it, my co-workers need it, everyone needs it." ***Robert Bennington, Owner and CEO, Bennington Properties, Sun River, OR***

"My wife and I have experienced the practical benefits of applying RW360' principles in our personal and professional lives and helping others to do the same." ***Steve Woodford, President, WCM Industries Inc., Colorado Springs, CO***

"These resources are important for the workplace and the public square. Training people how to avoid conflict is even more attractive than training them how to resolve conflict." ***Larry Bickle, Retired CEO of NYSE Company, Houston, TX***

"RW360's values-based resources help me to better serve influencers in business and their families." ***Nelson Cooney, Vice President, US Trust Bank of America Personal Wealth Management, San Francisco, CA***

"I have seen the power of RW360's peacemaking and relational skills training change entire businesses and families." ***David Cox, Sales Executive, Jack Henry & Associates, Lookout Mountain, GA***
